PROGRAM FOR HISPANIC STUDIES MADRID-PRINCESA CAMPUS

LEVEL A1 (BEGINNERS)

CH1001 SPANISH LANGUAGE

Course that aims to start in communication in Spanish under a functional and communicative approach. The students approach and acquire basic communicative contents to develop in simple situations of daily life. During the course also materials of sociocultural content are used.

CH1011 SPECIFIC GRAMMAR PROBLEMS

Spanish initiation course with a special emphasis on those grammatical difficulties most common in the level. Basic contents of Spanish grammar are studied to reinforce them while applying the grammatical contents to refer to the present, past and future. The written expression is enhanced.

CH1021 SPANISH LANGUAGE AND CONVERSATION

Course of initiation to the Spanish language focused on students learning to carry out transactions of daily life and socially interrelated in their context. This course will help improve listening and reading comprehension in situations appropriate to the level.

CH2001 SPANISH LANGUAGE

Course that continues at the level of initiation (beginner-intermediate) of Spanish. It focuses into the linguistic functions necessary to be able to function in everyday life and introduces the communicative contents necessary to cover the entire initial level of language.

CH1041 SPAIN AND THE SPANIARDS

Current Spanish customs and traditions in everyday life. Presentation of Spain. Spaniards from day to day. Brief newspaper articles and descriptive texts about diverse aspects of the culture are introduced.

LEVEL A2 (LOW INTERMEDIATE)

CH2010 SPANISH LANGUAGE

Continuation course of the initial level with a functional and communicative approach. The linguistic contents that cover the entire initial level are studied and the student is prepared to begin the intermediate level of Spanish. The acquired knowledge is consolidated and the new grammatical and lexical contents are introduced so that the students can describe personal experiences in the past in different communicative situations.

CH1051 SPANISH LANGUAGE AND CONVERSATION

Complementary Spanish course to develop comprehension and oral and written expression at the lower intermediate level. Students consolidate grammatical content and practice oral expression to acquire greater fluency and confidence in the development of everyday situations and contact with Spain and the way of life of Spaniards.

CH2051 CONVERSATION AND COMPOSITION

Course to learn how to develop a conversation in Spanish and practice some strategies that allow students to gain confidence in oral expression. On the other hand, it deals with the composition and elaboration of different written texts. Activities are carried out in order for students to acquire the fluency necessary to exchange opinions and comment on journalistic articles on current issues.

CH1061 SPAIN AND THE SPANIARDS

Current Spanish customs and traditions in everyday life. Presentation of Spain. Spaniards from day to day. Brief newspaper articles and descriptive texts about diverse aspects of the culture are introduced.

CH2021 SPANISH LANGUAGE

Practice communication in Spanish at an intermediate level. Linguistic uses in order to manage in the real world. Use of essential vocabulary and grammar. Discussions about current events and topics of students' interest.

CH2421 SPANISH FOR BUSINESS *New*

Course to learn Spanish language focused on business. We study content related to specific vocabulary of the company, aspects related to the Spanish economy and cultural issues related to the work context in Spain.

LEVEL B1 (INTERMEDIATE)

CH2061 SPANISH LANGUAGE

Intermediate level course with a functional and communicative approach. The linguistic and functional contents of this level are studied as giving and justifying an opinion, expressing in detail personal experiences in the past or, among other things, being able to request specific information, a complaint or explanation about some point of interest. The development of written and oral expression is encouraged.

CH2011 SPECIFIC GRAMMAR PROBLEMS

Study of the principle problems of Spanish grammar with a special emphasis on the uses of the past and subjunctive. Application, in oral and written practice, of the grammatical contents.

CH2051 CONVERSATION AND COMPOSITION

Techniques and strategies for maintaining a conversation. Acquisition of fluidity necessary for exchanging opinions. Comments on articles and texts about modern events.

CH2031 CONVERSATION AND READING

Course to achieve greater fluency in informal conversations and debates, applying and developing students' grammatical knowledge, from adapted readings. The objective of the course is to deepen the acquisition of reading strategies, to expand the vocabulary and to practice its use taking care of the different communicative situations (formal or informal).

CH2041 DISCOVERING SPAIN

Course in which there is a presentation of the different Spanish regions through an introduction to culture, history, gastronomy, monuments and popular festivals. Students' cultural content is expanded and written and oral expression is practiced through related activities.

CH2181 ART IN THE PRADO MUSEUM

A course based on a theoretical and practical part, which brings students to Spanish culture through Spanish painting, taking as reference three of its most representative references: El Greco, Velázquez and Goya. The study of these great painters is done by analyzing the historical aspects of the works, as well as the artistic characteristics of composition and style. The minimum level of Spanish required to attend this course is level A2. **The course includes visits to the Prado Museum outside of class time (visits are in the afternoons).**
