LEVELS OF COMPETENCE IN SPANISH European framework of languages

CURSOS DE LENGUA ESPAÑOLA

LEVELS

LEVEL A1.1 (Beginner)

Course that aims to start in communication in Spanish under a functional and communicative approach. The students approach and acquire basic communicative contents to develop in simple situations of daily life. During the course also materials of sociocultural content are used.

LEVEL A1.2 (Beginner)

Continuation of Spanish A1.1 Initiation course with a special emphasis on those grammatical difficulties most common in the level. Basic contents of Spanish grammar are studied to reinforce them while applying the grammatical contents to refer to the present, past and future. The written expression is enhanced.

LEVEL A2.1 (Basic)

Low intermediate level course with a functional and communicative approach. The linguistic contents that cover the entire initial level are studied and the student is prepared to begin the intermediate level of Spanish. The acquired knowledge is consolidated and the new grammatical and lexical contents are introduced so that the students can start to describe personal experiences in the past in different communicative situations.

LEVEL A2.1 (Basic)

Continuation of Spanish A2.1 Students consolidate grammatical content and practice oral expression to acquire greater fluency and confidence. Students acquire functional level content such as understanding and expressing ideas in a conversation, telling personal experiences in the past or, among others, talking about facts that may occur in the future at a lower intermediate level.

LEVEL B1.1 (Intermediate)

Intermediate level course with a functional and communicative approach. The linguistic and functional contents of this level are studied as giving and justifying an opinion, expressing in detail personal experiences in the past or, among other things, being able to request specific information, a complaint or explanation about some point of interest.

LEVEL B1.2 (Intermediate)

Continuation of Spanish B1.2. This course is aimed at achieving more security with the use of the language and the control of complex grammatical aspects. Special reference to practical applications of learned grammatical structures.

LEVEL B2.1 (High Intermediate)

Upper-intermediate level course aimed at practicing oral and written comprehension while acquiring the functional content typical of the level through the study and practice of grammatical structures. Throughout the course, students read, comment and discuss different types of texts.
